

ERIC DROEGEMEIER

CAREER GOALS

My goal is to graduate with my master's degree, and to continue to improve my skills in baseball analytics. My goal is to work for a Major League Baseball front office. I have a passion for performing player analysis and amateur scouting, using data to find ways of improving their performance.

EDUCATION —

Schreiner University **2016-2020**

Bachelor's degree in Sports Management

University of North Texas **2022-present**

Master's degree in Data Analytics w/ sports concentration

EXPERIENCE

Sep 2018-Nov 2019

Amateur Scout • Collegiate Baseball Scouting Network

Jun 2020-Oct 2021

Scout and Field Manager • Perfect Game USA

May 2022-Present

Associate Sports Director • Full Time • YMCA of Metropolitan Dallas

During my undergrad, I worked as an amateur baseball scout collecting video and game data on players across high school and Division I, II, and III levels. Upon graduation, I took a position as scout and field manager for Perfect Game. Responsibilities included operating Diamondkast and Trackman software during tournaments such as the WWBA National Championship and PG World Series in the Atlanta and South Florida areas. I then began work full time as a Sports Director for the Dallas Y organizing youth leagues and tournaments for soccer, basketball, baseball, and flag football. Responsibilities include rostering teams, creating schedules, managing part time staff, and supervising game sites.

KEY SKILLS —

R
Python
SAS EM
Predictive Modeling
Managing part-time staff
